It is a goal of the Kansas Department of Commerce (Commerce) to fortify program systems and place a high priority on eliminating program fraud and abuse. Consistent with this goal, systematic procedures for reporting alleged instances of suspected or actual fraud, abuse, or criminal conduct in -Workforce Innovation and Opportunity Act (WIOA) programs are described in this policy. The scope of this policy encompasses actions by any staff or official of the Office of the Governor, Commerce, local area, as well as staff, officials, and program participants of recipients, subrecipients, and contractors.

Definitions

To aid in the detection of fraud, program abuse, or criminal conduct, the following definitions are provided. These definitions are neither fully inclusive nor restrictive of all activities that may be included under each activity:

Fraud and Abuse Incident Report

The *Fraud and Abuse Incident Report* (see Attachment A) is the official document for reporting instances of fraud, misapplication of funds, gross mismanagement, and any other incidents of known or suspected criminal or other activities. The *Fraud and Abuse Incident Report* is also used to provide supplemental and final reports about such incidents. Any report received in a written format and signed shall be accepted and handled in the same manner as if it were filed on the *Fraud and Abuse Incident Report*. Individuals designated to accept incident reports will be responsible for contacting the reporting party and obtaining information required by the *Fraud and Abuse Incident Report* that is not included in the submitted report.

Incident reports are not intended to elicit reports after a determination is made that an act or allegation is legally prosecutable. Any act which raises questions of possible illegal expenditures or other unlawful activity should be reported immediately.

Prohibition of Reprisals, Whistleblower Protection, and Confidentiality

In accordance with federal regulations and the Kansas Whistleblower's Act, no action will be taken against any employee, grantee, or contractor for disclosing information of criminal or improper activities or making a complaint to the proper authorities. The reporting party's identity will not be disclosed except where there is consent or it is determined that disclosure will be unavoidable during the course of an investigation. *As per Kansas Statue No. 75-2973, each state office shall prominently post a copy of the Kansas Whistleblower's Act in locations where it can reasonably be expected to come to the attention of all employees (see Attachment B).*

Complaint Processing Procedures

Each local area shall abide by the following procedures for reporting known or suspected instances of fraud, program abuse, or criminal conduct relating to all programs funded by the U.S. Department of Labor.

Local Area Staff Designation

Each local area shall designate an individual (or individuals) to receive and assist in the preparation of the *Fraud and Abuse Incident Report*. Such designation shall also include an individual other than a supervisor or manager to whom an individual can file a *Fraud and Abuse Incident Report* where there is concern their position will be compromised by submitting information believed to indicate actual, potential, or suspected wrongdoing. This designation, and any subsequent change to this designation, should be reported to Director, Commerce Regulatory Compliance, (785) 296-2122, crc@kansascommerce.com

National Hotline

All local areas shall notify employees and comprehensive one-stop center partners of availability of the Office of Inspector General (OIG)/USDOL Hotline for providing information confidentially. The OIG/USDOL National Hotline number is 1-800-347-3756.

The National Hotline was established for employees and the public. It may be used to notify the OIG of suspected fraud, abuse, or waste in any programs funded by the USDOL. Information supplied via the Hotline should be as specific as possible to enable the OIG to identify and solve the problem. The Hotline should not be used for resolving employee grievances, EEO complaints, labor disputes, or other personnel concerns.

Kansas Whistle Blower's Act

As per Kansas Statue No. 75-2973, each location where WIOA services are offered shall prominently post a copy of the Kansas Whistleblower's Act (see Attachment B) in locations where it can reasonably be expected to come to the attention of all employees and the public to provide information about reporting suspected cases of criminal activity within WIOA. Posters may be obtained by contacting the following individual:

An emergency exists when immediate action is required to forestall impending loss or harm to an individual or organization related to WIOA, Commerce, or a local area. If it is determined an incident requires immediate attention, a telephone report should be made to the OIG to relate the necessary information, and the written report submitted as outlined in this policy.
