Workforce Services  
Policy and Procedures Manual**

**Policy Number:** 5-24-00

**Originating Office:** Workforce Services

**Subject:** Modifications and Revisions of Local Workforce Development Plans

**Issued:** January 19, 2017

**Program:** Workforce Innovation and Opportunity Act (WIOA)

**Purpose:** To transmit state policy and guidance for modifications to and revisions of local workforce development plans.

**Reference:** WIOA Sections 106, 107, 108, 121(c), 20 CFR Part 679 (§679.500 - §679.580)

**Background:** This policy replaces *3-10-02 Modifications to Local Workforce Investment Plans*. Local workforce development boards (LWDB) in partnership with the appropriate chief elected officials, are required to develop and submit a comprehensive 4-year plan to the Governor (WIOA Sec. 108 and §679.550(a)). The plans are submitted to the Governor's designee for review and approval. Ninety days after receipt, if written notice of required changes or approval has not been provided by the Governor's designee a plan is considered approved (§679.570, WIOA Sec. 108(e)). Kansas Department of Commerce Workforce Services, the Governor's designee, will review and approve local plans, modifications and revisions.

Per §679.500(a) the local plan serves as a four-year action plan to develop, align and integrate service delivery strategies and to support the State's vision and strategic and operational goals. At the end of the initial two-year WIOA planning period, local plans need to be reviewed to determine if a modification is necessary.

**Action:** Distribute to all interested parties.

## **Modifications and Revisions of Local Workforce Development Plans**

### **Policy Statement**

*Plan modification:* Each local workforce development board (LWDB) in partnership with the appropriate chief elected officials (CEOs), must review the local workforce development plan (local plan) using criteria described in this policy and prepare and submit a plan modification due at the end of year two of the plan's four year planning period. Should there be no changes as described in the criteria for modification, the board must submit a signed *Attestation of Review for Local Plan Modification* (see Attachment A) documenting a review of the criteria was completed and a modification is not necessary. Plan modifications and/or attestations must be electronically submitted to the Kansas Department of Commerce.

*Plan revision:* Minor changes to the local plan involve a plan revision rather than a plan modification and must be electronically submitted to the Kansas Department of Commerce upon occurrence.
