The Honorable Sam Brownback  
Governor of Kansas  
Capitol  
300 SW 10th Avenue, Ste. 212S  
Topeka, Kansas 66612-1590

Dear Governor Brownback:

This letter provides approval of Kansas' State Integrated Workforce Plan for Title I of the Workforce Investment Act (WIA), the Wagner-Peyser Act (W-P), including the W-P Agricultural Outreach Plan, plans for coordination with Trade Adjustment Assistance (TAA), and Title V of the Older Americans Act. The Employment and Training Administration (ETA) received the State Integrated Workforce Plan on September 17, 2012. This letter also responds to Kansas' WIA waiver requests.

Training and Employment Guidance Letter (TEGL) No. 21-11, issued on March 27, 2012, and TEGL No. 21-11, Change 1 issued on August 8, 2012, provide guidance for states to submit their State Workforce Plans and waivers for Program Year (PY) 2012 and beyond. We appreciate the State's responsiveness to this guidance.

#### Plan Review and Approval

ETA has reviewed the Kansas State Integrated Workforce Plan in accordance with Title I of WIA, the Wagner-Peyser Act, the Trade Act (as amended), the corresponding regulations, the State Integrated Workforce Plan Requirements for Workforce Investment Act Title I/Wagner-Peyser Act, and Department of Labor Workforce Programs (<http://www.doleta.gov/usworkforce/wia-planning/docs/integrated-planning-guidance.pdf>), Title V of the Older Americans Act and corresponding regulations, TEGL No. 21-11, and the corresponding Change 1. Pursuant to 20 CFR 661.230(e), this letter constitutes a written determination under WIA Section 112 (29 USC 2822), and WIA Section 501 (20 USC 9271) which pertains to State Unified Plans, that ETA is approving those portions of the Kansas State Integrated Workforce Plan that relate to Title I of the WIA, the Wagner-Peyser Act, and TAA for Program Years 2012-2016, July 1, 2012 through June 30, 2017. The annual W-P Agricultural Outreach Plan is approved for the period July 1, 2012 through June 30, 2013. The Senior Community Service Employment Program (SCSEP) State Plan has been reviewed by both ETA and the Administration on Aging, and is approved for Program Years 2012-2015, July 1, 2012 through June 30, 2016. The State is eligible to receive WIA formula allotments for Adult, Dislocated Worker, and Youth programs, and W-P program allotments, effective July 1, 2012 through June 30, 2017.

### Performance Levels

Program performance goals for PY 2012 WIA and Wagner-Peyser have been reached in negotiations between the ETA Regional Administrator and your state workforce agency. Kansas' goals were transmitted to the agency in the Regional Administrator's letter dated November 21, 2012.. This letter also indicates that Kansas' final performance goals for PY 2012 will be incorporated into the Regional and National Office copies of the State Integrated Workforce Plan. Please include these final PY 2012 goals in the State's official copy of the State Plan. For your convenience, your final negotiated performance goals are enclosed with this letter.

### Waivers

As part of Kansas' State Integrated Workforce Plan, the State submitted waiver requests for waivers of statutory and regulatory requirements under WIA (copy enclosed). The State's request for waivers is written in the format identified in WIA Section 189(i)(4)(B) and 20 CFR 661.420(c). The disposition of the State's waiver requests is outlined below. This action is taken under the Secretary's authority at WIA Section 189(i) to waive certain requirements of WIA Title I, Subtitles B and E, and Sections 8-10 of the Wagner-Peyser Act.

#### Waiver of WIA Section 133(b)(4) to increase the allowable transfer amount between Adult and Dislocated Worker funding streams allocated to a local area.

The State requested a waiver to permit an increase in the amount a state is allowed to transfer between the Adult and Dislocated Worker funding streams. The State is granted approval of this waiver through June 30, 2017. Under the waiver, transfer authority is limited to 50 percent. This limitation provides states flexibility while ensuring consistency with Congressional intent regarding the level of funding appropriated for the WIA Adult and Dislocated Worker programs.

#### Waiver of WIA Section 134(a) to permit local areas to use a portion of local funds for incumbent worker training.

The State requested a waiver to permit local areas to conduct allowable statewide activities as defined under WIA Section 134(a)(3) with local WIA formula funding, specifically incumbent worker training. The State is granted approval of this waiver through June 30, 2017. Under this waiver, the State is permitted to allow local areas to use up to 15 percent of local Dislocated Worker funds and up to 5 percent of local Adult funds for incumbent worker training only as part of a layoff aversion strategy. Use of Adult funds must be restricted to serving lower income adults under this waiver. ETA believes limiting incumbent worker training to the specified level and requiring it to be a part of layoff aversion is the best use of funds in the current economic climate where serving unemployed workers is a paramount responsibility of the workforce system. All training delivered under this waiver is restricted to skill attainment activities. Local areas must continue to conduct the required local employment and training activities at WIA Section 134(d), and the State is required to report performance outcomes for any individual served under this waiver in the Workforce Investment Act Standardized Record Data system (WIASRD), field 309. TEGL No. 26-09, Section 7A, "Workforce Investment Act (WIA) Waiver Policy and Waiver Decisions for PY 2009 and 2010" and TEGL No. 30-09, "Layoff Aversion Definition and the Appropriate Use of Incumbent Worker Training for Layoff Aversion Using a Waiver" provide policy guidance related

Incumbent Worker Training for Layoff Aversion Using a Waiver” provide policy guidance related to implementation of this waiver.

Waiver of WIA Section 134(a)(1)(A) to permit a portion of the funds reserved for rapid response activities to be used for incumbent worker training.

The State requested a waiver to permit use of rapid response funds to conduct allowable statewide activities as defined under WIA Section 134(a)(3), specifically incumbent worker training. The State is granted approval of this waiver through June 30, 2017. Under this waiver, the State is permitted to use up to 20 percent of rapid response funds for incumbent worker training only as part of a layoff aversion strategy. ETA believes limiting incumbent worker training to layoff aversion is the best use of funds in the current economic climate where serving unemployed workers is a paramount responsibility of the workforce system. All training delivered under this waiver is restricted to skill attainment activities. The State is required to report performance outcomes for any incumbent workers served under this waiver in the Workforce Investment Act Standardized Record Data system (WIASRD), field 309. TEGL No. 26-09, Section 7A, “Workforce Investment Act (WIA) Waiver Policy and Waiver Decisions for PY 2009 and 2010” and TEGL No. 30-09, “Layoff Aversion Definition and the Appropriate Use of Incumbent Worker Training for Layoff Aversion Using a Waiver” provide policy guidance related to implementation of this waiver.

Waiver of WIA Section 101(31)(B) to increase the employer reimbursement for on-the-job training.

The State requested a waiver to permit an increase in employer reimbursement for on-the-job training through a sliding scale based on the size of the business. The State is granted approval of this waiver through June 30, 2017. Under the waiver, the following reimbursement amounts will be permitted: 1) up to 90 percent for employers with 50 or fewer employees, and 2) up to 75 percent for employers with 51-250 employees. For employers with more than 250 employees, the current statutory requirements (50 percent reimbursement) will continue to apply. When determining the funding source for on-the-job training, the State must use the appropriate program funds for the appropriate WIA-eligible population. The State and local areas may provide on-the-job training to individuals age 18 and over with WIA Adult funds and must provide priority to low-income individuals when funds are limited; the State and local areas may provide on-the-job training to dislocated workers with WIA Dislocated Worker funds. On-the-job training provided with statewide funds must serve WIA eligible individuals.

Waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts for older and out-of-school youth.

The State requested a waiver of the prohibition at 20 CFR 664.510 on the use of Individual Training Accounts (ITAs) for older youth and out-of-school youth program participants. The State is granted approval of this waiver through June 30, 2017. Under this waiver, the State can use ITAs for older youth and out-of-school youth program participants. The State must continue to make the 10 youth program elements available as described at WIA Section 129(c)(2). The State should ensure that funds used for ITAs are tracked and that the ITAs are reflected in the individual service strategies for these youth.

Waiver of WIA Section 123 that requires that providers of Youth program elements be selected on a competitive basis.

The State requested a waiver of the requirement for competitive procurement of service providers for three of the ten youth program elements: supportive services, follow-up services, and work experience. The State is granted approval of this waiver through June 30, 2017. Under this waiver, the State is permitted to allow its One-Stop Career Centers or partner agencies to directly provide the above youth program elements. In utilizing this waiver, the State and local areas must still meet Office of Management and Budget requirements (codified in 29 CFR 95.40-95.48 and 97.36) and all state and local procurement laws and policies.

Waiver to permit the State to replace the performance measures at WIA Section 136(b) with the common measures.

The State requested a waiver that allows the State to replace the 17 performance measures under WIA Section 136(b) with the common measures. The State is granted approval of this waiver through June 30, 2017. This waiver permits the State to negotiate and report WIA outcomes against the common performance measures only, rather than the performance measures described at WIA Section 136(b). The State will no longer negotiate and report to ETA on the following WIA measures: WIA adult and dislocated worker credential rates; participant and employer customer satisfaction; older youth measures; and younger youth measures. The State will use the three adult common performance measures to negotiate goals and report outcomes for the WIA Adult and WIA Dislocated Worker programs. The State will use the three youth common performance measures to negotiate goals and report outcomes for the WIA Youth program. Workforce Investment Act Standardized Record Data system (WIASRD) item 619, Type of Recognized Credential, should be completed for each individual as appropriate, regardless of this waiver to report on common performance measure outcomes only.

Waiver of 20 CFR 666 and 667.300(a) to reduce the collection of participant data for incumbent workers.

The State requested a waiver of the requirements to reduce the data collection burden for employers participating in WIA-funded incumbent worker training programs. The waiver permits the State to discontinue the collection of the following Workforce Investment Act Standardized Record Data (WIASRD) elements: single parent (117), unemployment compensation eligible status at participation (118), low income (119), TANF (120), other public assistance (121), homeless individual and/or runaway (125), and offender (126). The State is granted approval of this waiver through June 30, 2017.

Waiver of the provision at 20 CFR 663.530 that prescribes a time limit on the period of initial eligibility for training providers.

The State requested a waiver of the time limit on the period of initial eligibility of training providers provided at 20 CFR 663.530. The State is granted approval of this waiver through June 30, 2017. Under the waiver, the State is allowed to postpone the determination of subsequent eligibility of training providers. The waiver also allows the State to provide an opportunity for training providers to re-enroll and be considered enrolled as initially eligible providers.

Waiver of WIA Section 134(a)(2)(B)(iii) and 20 CFR 665.200(e) to exempt a state from the requirement to provide local workforce investment area incentive grants.

The State requested a waiver of the requirement to provide local workforce investment areas incentive grants to reward regional cooperation, local coordination of activities, and exemplary performance. ETA is unable to make a determination with the information provided in the request. TEGL 26-09, change 1, provides guidance on the required information for this waiver, and the ETA Regional Office is available to answer questions regarding additional needed information.

Waiver of WIA Section 134(a)(2)(B)(ii) and 20 CFR 665.200(d) to exempt the state from the requirement to conduct evaluations.

The State requested a waiver of the requirement to conduct evaluations of workforce investment activities for adults, dislocated workers, and youth in order to establish and promote continuous improvement of the statewide workforce investment system. ETA is unable to make a determination with the information provided in the request. TEGL 26-09, change 1, provides guidance on the required information for this waiver, and the ETA Regional Office is available to answer questions regarding additional needed information.

Waiver of 20 CFR 665.200(b)(3) to exempt the state from the requirement to disseminate training provider performance and cost information.

The State requested a waiver of the requirement to disseminate training provider performance and cost information. ETA is unable to make a determination with the information provided in the request. TEGL 26-09, change 1, provides guidance on the required information for this waiver, and the ETA Regional Office is available to answer questions regarding additional needed information.

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and are incorporated into the State Integrated Workforce Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and with the approved State Plan. In addition, as described in TEGL No. 29-11, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.
