- Partner Focus – Establish strong state and local partnerships to achieve greater integration and alignment of the various resources available to employers and workers in Local Area I. WorkforceONE will challenge staff to continually seek to improve the efficiency and effectiveness of the workforce system through reduction in duplication and other means.
- Customer Focus – WorkforceONE and its staff will align its actions with the changing needs of employers and all job seekers in Local Area I. Actions oriented to providing meaningful, “lifelong” employment for all workers, not simply jobs.

Request for Proposals

Kansas Local Workforce Area I is seeking proposals for a public, private, non-profit entity or consortium of entities to serve as One-Stop Operator for the comprehensive, affiliate, and satellite One-Stop Centers in Kansas Local Workforce Area I.

This Request for Proposal was prepared based upon the Workforce Innovation and Opportunity Act of 2014 (WIOA) and associated U.S. Department of Labor Regulations and guidance. This Federal Law was implemented to consolidate, coordinate, and improve employment, training, literacy and vocational rehabilitation programs in the United States. WIOA provides the framework for a national workforce preparation system that is flexible, responsive, customer-focused, and locally managed. Mandatory core program partners include: Adult/Dislocated Worker/Youth, Wagner-Peyser, Adult Education and Literacy, and Vocational Rehabilitation, along with required partners specified in the Act. Offerors are strongly encouraged to read Training and Employment Guidance Letter 04-15 issued by the U.S. Department of Labor that outlines the vision for the One-Stop system under WIOA.

The three hallmarks of WIOA include:

1. The needs of businesses and workers drive workforce solutions, and local boards are accountable for this within the communities they serve.
2. One-Stop Centers provide excellent customer-centric services and focus on continuous improvement; and,
3. The workforce system supports strong regional economies and plays an active role in community and workforce development.

WIOA is built around the following key principles:

- Increase access and opportunity, particularly for those individuals with barriers to employment, to ensure success in the labor market.
- Support the alignment of workforce investment, education, and economic development systems in support of a comprehensive, accessible, and high-quality workforce development system.

- Improve the quality and labor market relevance of workforce investment, education, and economic development efforts to provide workers with the skills and credentials necessary to secure and advance in employment with family-sustaining wages, and to provide employers with the skilled workers they need to succeed in a global economy.
- Promote improvement in the structure and delivery of services to better address the employment and skill needs of workers, jobseekers, and employers.
- Increase the prosperity of workers and employers and the economic growth of communities, regions, and states, and the global competitiveness of the United States.
- Provide workforce investment activities, through statewide and local workforce development systems, that increase the employment, retention and earnings of participants, and increase attainment of recognized postsecondary credentials by participants.

The Workforce Development Board oversees the Workforce Innovation and Opportunity Act (WIOA) funds for the sixty-two county area in western Kansas. Currently, the Workforce Development Board is the Administrative Entity and serves as the Lead One-Stop Operator and Service Provider for WIOA funded Youth, Adult, and Dislocated Worker Services.

In Section 107 of the legislation and in § 678.605 of WIOA Regulations Local Workforce Boards are required to competitively procure the One-Stop Operator role and responsibilities. The Workforce Development Board has contracted with an independent consultant to solicit and select a One-Stop Operator. § 678.615 says that firewalls must be in place to ensure that the competition is free of conflict of interest. Therefore, no one working for or with the Board may be involved in conducting the competitive process. The procurement is separate from the Local Workforce Development Board to ensure the absence of conflict of interest in the event the Workforce Development Board or its staff makes the decision to propose to serve as the One-Stop Operator. In the event the Workforce Development Board does become an Offeror, the independent consultant will provide a recommendation for award to the Local Elected Officials for approval to eliminate conflict of interest. Should the Workforce Development Board or its staff choose not to submit a proposal, the Workforce Board will vote on the independent consultant's recommendation.

Through this independent process, the Workforce Development Board is soliciting proposals to identify a single One-Stop Operator for the Kansas Local Workforce Area I comprehensive, affiliate, and satellite One-Stop Centers:

- Comprehensive Center Locations
 - Salina
 - Hutchinson
 - Garden City
 - Great Bend
 - Dodge City

- Hays
- Affiliate/Satellite Center Locations

Eligible Applicants

Organizations eligible to submit proposals may fall within any of the following categories:

- Governmental Agencies
- Private Non-Profit Organizations
- Private For-Profit Businesses
- Educational Entities
- Consortium of entities that at a minimum, includes three or more of the required one-stop partners of demonstrated effectiveness, located in the Local Area.

One-Stop Operator Roles and Responsibilities

The One-Stop Operator must coordinate the service delivery of core and required one-stop partners and other community partners working with the comprehensive, affiliate, and satellite One-Stop Centers listed in this Request for Proposals. This includes managing partner responsibilities that are outlined in the local Memorandum of Understanding (MOU).

The One-Stop Operator will work with ALL workforce system partners and represent the system and not just WIOA Title I. This will require close working relationships with all of the core and required partners.

The WIOA MOU serves the key purpose of defining partner roles and focuses, in part, on the shaping of the workforce system. This includes the sharing of resources, referral agreements, etc. In the end, the overall goal is to ensure efficiency within the Kansas Local Workforce Area I workforce system.

WIOA was signed into law on July 22, 2014, and went into effect July 1, 2015. WIOA supersedes the Workforce Investment Act of 1998, and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act of 1973.

WIOA has two tiers of partners: Core Program Partners and Required Partners.

The Core Program Partners who are required to collaborate and participate in the One-Stop System include: WIOA Adult, Dislocated Workers, Youth; Wagner-Peyser labor exchange; Adult Education and Literacy; and, Vocational Rehabilitation. Core Program Partners are in the common performance measures pool and must work closely together to achieve success.

Required Program Partners must participate in the MOU process and provide coordinated services with the comprehensive One-Stop Centers. Required Program Partners include the four Core Program Partners as well as: Career and Technical Education, Title V Older Americans, Job Corps, Native American Programs, Migrant Seasonal Farmworkers, Veterans, Youthbuild, Trade Act, Community Services Block Grant, HUD, Unemployment Compensation, Second Chance, and TANF. In the event any of the required partners do not have funding in the Kansas Local Workforce Area I, their participation is waived.

The One-Stop Operator will be the point of contact regarding issues pertaining to customer complaints that are substantive to the required partners operating in the comprehensive, affiliate, and satellite One-Stop Centers. This will include convening partner meetings on a regular basis as well as stakeholder meetings including all core program partners and advising the Administrative Entity, Partners, and Board Staff on partner operational challenges and successes.

In support of the WIOA MOU the One-Stop Operator responsibilities will include:

- Ensure partner organizations adhere to the Memorandum of Understanding documents.
- Facilitating modifications in the Memorandum of Understanding and Resource Sharing Agreement covering the Center activities.
- Convene regional partner meetings to discuss and share general information, updates to the law and local program updates from all partners.
- Communicate with partners prior to regional meetings to determine suitable agenda and to allow partner additions to agenda.
- Provide minutes of regional partner meetings after each meeting to partners and Workforce Board.
- Ensure relevant stakeholders are invited and engaged in regional partner meetings.

- Coordinating service delivery among partners located in the Centers and referrals to and from partners housed outside the Centers.
- Managing hours of operation at the comprehensive Centers
- Facilitating customer flow, customer service, initial assessment, resource room usage, tracking, and referral processes as agreed upon in the WIOA MOU
- Communicating Board and Administrative policies and procedures to all partners
- Provide an oral presentation and a written report to the Workforce Board on a quarterly basis regarding career center data and summary report on deliverables by partner agencies.
- Report to the Workforce board on an annual basis on the topic of Section 188 compliance.
- Recommend partner technical assistance needs to the Workforce Board.

Proposals must include a staffing plan.

One-Stop Operator Budget

The Workforce Development Board has set aside approximately \$85,000 for the One-Stop Operator award. This is an annual figure so the period September 1, 2018 through June 30, 2018 should be pro-rated. Proposals must include a detailed budget on the provided chart that shows all costs related to serving as One-Stop Operator. Costs must be categorized as administrative, program, and profit. In the event a consortium is competitively bidding, the budget needs to clearly show how the role of One-Stop Operator will be paid for including any proposed shared costs. All proposals must include staffing and associated expenses including space rent, equipment, wages, benefits and other costs. See the existing Memorandum of Understanding and Resource Sharing Agreement for cost information on space. Staffing costs should consider percent of time an individual will spend on One-Stop Operator roles and responsibilities. Proposals should include proposed cost of any equipment.
